Becky has nailed the "come hither" look with her lusty eyes.

Becky's No. 1 Fan

Dear Virgin Territory,

Thanks for publishing Becky, the bubbly brunette from your June '14 issue. She is an incredible sight and I'll bet an incredible fuck. Her hair is gorgeous, too. I'm a big fan of brunettes. They seem to have more going on in their heads than blondes and are much more sane than redheads.

Her sexuality attracted me to her as well. I love a free and open teen, willing to help her male friends out with a handjob if they're feeling too horny. When I was much younger I had a fat chick who was a friend of a friend who would give me blow jobs in exchange for rides home. It was such a considerate thing to do, I thought. Most teens don't separate their rampant emotions from their sexuality like that. Whoever locks down that English twat is a very lucky man!

Also, I'm not sure what caused the shift in female sexuality within the past few decades, but I love that women can express themselves sexually with one another. I've always found the idea of two women pleasuring each other arousing, but I don't think it found widespread acceptance in our culture until the 90s! We've stopped labeling all women who experiment, like Becky, as lesbians. Thank god! I think if we get to witness the smooth-skinned and smiling perfection of two teenage girls licking wet pussy, then we have nothing to complain about in this life!

Is there a chance that we'll get to see more Becky? Possibly in a hardcore video or, better yet, a lesbian scene? She's the most stunning girl I've seen in *18eighteen* in a long time. Thanks for printing her!–J.J., Waco, Texas

Dear J.J.,

We loved shooting Becky, too. Unfortunately that's the only set of her that we have. But enjoy the bonus photo of this Brit beauty.

Dakota Turn-Around

Dear Virgin Territory,

I was on the fence about Dakota from your June '14 issue from the moment I saw her. I liked her body, but her face didn't turn me on. I also thought her tattoo was obnoxious. I can't stand tattoos. I don't understand why girls have them.

I started liking her a little more when I saw that picture of her on the bottom of page 34. I like that pose. The girls need to show off more of their assholes. You should print more of that. That's why I liked her in that position. I got to see her pussy and asshole, and I imagined that I was fucking both of her sweet holes. I started liking her more after that.

Doesn't this photo make you want to stick it in Dakota?

She told you guys how much she loves to suck cock. That's great. I love getting my cock sucked by teens. You didn't mention if she swallows or if she spits. I need to know these things while I'm fucking my fist. She strikes me as a swallower. I'd love to shove my cock down her throat and spray her stomach with my fuck juice. She'd love that. Next time you should ask her what she prefers. That would have made it a better interview. Also, get a shot of her with a finger in her ass.–D.L., Huntsville, Alabama

Dear D.L.,

We usually ask all of our models how they prefer their cum. We must have blanked with Dakota. Thanks for catching our mistake!

This load of cum is how you know a teen got properly fucked!

Creamy Teens

Dear Virgin Territory,

Leah's creampie in your June '14 issue was in-fucking-credible. Her freshly-fucked hole, candy coated in cum, took my breath away and made me jism in my hand. I'd send her to school with cum running down her thigh and out of her asshole every day if it were up to me! Did she get fucked in the ass in that scene? Her gaping butt certainly made it seem that way. I hope so. She looks like she could take a fat cock inside her rear end.

Also, her deep-throating skills were amazing. She looked like a fucking snake charmer, taking that thick python down to her tonsils. I'll bet she'd make short order out of a slightly above average dick like mine! She's got some fuckin' skills, that little teeny. Have you guys ever thought about doing an entire set, or even an issue, devoted to one particular theme? Like January could be deep-throat month. Or February could be anal creampies. It's one of the many ideas I have that you guys could use. Let me know! It would be great to see my ideas in print.–P.H., Cape St. Clair, Maryland

Dear P.H.,

We occasionally do themed issues. For instance, last month (Aug. '14) was our Summer Teens issue. Next month is our beloved Back to School issue. We love the idea of a raunchy sex-based theme, though. Thanks for the idea!

Braced Babes are Best

Dear Virgin Territory,

Braces! Finally, we've got another girl with braces! Kristina from your June '14 issue was so fucking hot. Her entire look just killed me. Tiny, little teens with flat chests, skinny legs and adorable, fresh faces are my kryptonite. Then, when you add braces, I'm pretty much fucking useless because I've got to jack off for 72 hours straight. Seriously, why don't you fucking guys publish more girls with braces? I see them all over the place here in California–I know they're out there. Let's get more of them.–S.P., Los Angeles, California

Dear S.P.,

We always looks for girls with braces. If you could send us a few of the Californians you know, we'd love it and we're sure our other readers would, too!

Braces, a flat chest and a tight, bald pussy. Kristina has it all!

More Aurora

Dear Virgin Territory,

I can't get enough of Aurora! That girl has a look about her that drives me wild! I would give anything to lick her ass and fuck her sweet pussy. That butt is what makes it for me, though. I would bend her over my knee and give her the spanking of her lifetime. I would make those buns jiggle like Jello, and I'd give her my finger to suck on so she wouldn't scream too loudly! Those booty shorts and that training bra gave me such a rock-hard hard-on that I almost jizzed in my pants.

I love how your stud took her pussy lips into his mouth and sucked. I can almost imagine exactly how her sweet and salty cunny would taste. I've always been a fan of spitting on a girl's fuckhole and tracing it with the tip of my tongue before we fucked. I'd totally do that to Aurora's meaty lips!

The picture of her trying to take that cock down her throat on page 55 will haunt my dreams for years. I don't have words for how her eyes affected me. It's the greatest thing in the world when a girl looks at you while downing your manhood. That lucky fucking bastard that got to enjoy her young mouth can kiss my ass. Just kidding. I'd probably buy him a beer if he'd tell me the scoop on how Aurora fucks! I'll bet she rides dick like it were a bronco.

That facial at the end was top-notch. I can't get over how good those fat lips of hers looked plastered in cum. She's a cock-hungry slut if I've ever seen one! Please, more of Aurora!–M.B., Saint Cloud, Minnesota

Dear M.B.,

We've been receiving rave reviews of Aurora since we first published her in the Oct. '13 issue. Glad you like her so much!

Lia's Cute Cunny

Dear Virgin Territory,

I'm not sure how you guys can make a girl like Lia, who shows off her meaty pussy and slutty asshole to the world, look innocent and cute, but you do a bang up job of it. Seriously, I was thinking to myself while jerking off to her pictures, "She looks like one of those girls who sells lemonade at the old church just down the street!" It made for a great jerk-off session.

Here's a sneak peek of Lia getting her meaty curtains split!

Everything about the set was perfect, from the way her ponytail

This is the look Aurora gives you when she wants you to slam her pussy in doggie-style!

made her look younger and more innocent, to the vibrant colors of her dress and her bedroom. I felt like I was inside of one of my horny dreams, and that Lia was the teen who was about to give herself to me! I've actually had a few dreams lately that involve her, along with a few daydreams that get pretty explicit. I'd love to reenact some of them with Lia in real life. Let me know if she's willing to date a guy in his 30s, will you?–P.R., Chicago, Illinois

Dear P.R.,

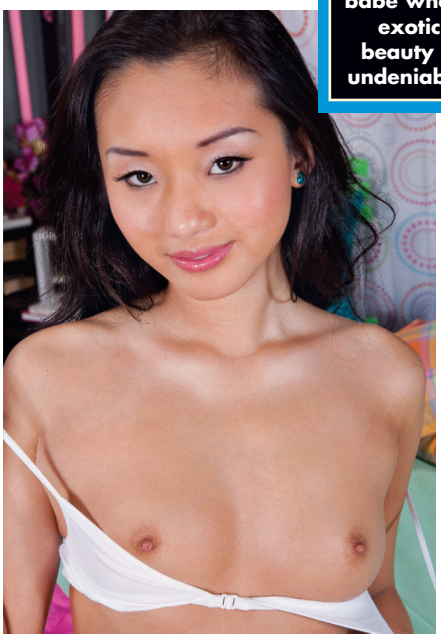

Lia loves older guys, but she has a policy of only dating men in her home city here in sunny Florida.

Something for Everyone

Dear Virgin Territory,

Good job with your variety of girls in your June '14 issue. You seemed to have a little bit of everything in your magazine, which made for some delightful dick spanking sessions. I worked my cock over and over to each girl and it was like taking a mini vacation around the world and fucking a girl in each country.

First off, I love Alina Li. I just hate that stupid tattoo. It was the only thing I didn't like about her. She's so exotic looking. I've always had a thing for Asians because they seem to hold on to their youthful looks longer than any other race. The Chinese girls are the cutest, too. I wish we could have seen Alina take on two or three guys and receive a mini bukakke, but I guess I'm being greedy. I'm glad I got to see all that I was given.

Alina is a Chinese babe whose exotic beauty is undeniable.

You guys really nailed the exotic thing this issue. Latinas are just okay for me, but the girls you published in June made my cock rise straight through my pants. Tara looked so unsure of herself, the way that teenage girls often do. It was a real turn-on. I love when young girls have that deer in the headlights look because it shows that they're still really nervous and have all those body concerns that come along with being so young and so naive. That's definitely part of the turn-on with me. Plus, her tanned skin looked so delicious I could have bathed her with my tongue all night. I doubt we'll be seeing too much more of her because of the way she reacted to the camera, but I sincerely hope she moves past that and starts coming out with hardcore work. She's only got a few more years before age starts catching up with her!

Leah's creampie was a nice little bit of Latina fucking. I only wish you had brought a few more studs with you to tag-team her pussy. It'd be hot to see *tres leches* pumped into her cunny.

Thirdly, thanks for repping the Brits! I love that accent they've got, and their milky skin drives me wild. I wish your magazine had a scratch and sniff pictorials because I would have loved to have breathed in Becky's pussy and asshole perfume. I'll bet her innocent, teen slit has the most wonderful smelling juice in the world. I would suck it all in and swallow mouthfuls of her girl-cum just to hear her squeal with excitement. Please print more of her or tell me where to find a video of her servicing a cock. I need to see her coated in jizz–I have this empty feeling in the pit of my stomach. Something will always be missing in my life until I witness her getting slutty and filthy with a dick!

I wish there were a grade above A+ to give you. You knocked it out of the park.–E.C., Asheville, North Carolina

SERENA
Just Give In

BRAT
CHAT
HEIGHT: 5′5″ WEIGHT: 102 lbs.
BRA SIZE: 32A BORN: Oct. 10
LIVES: Orlando, Florida

Serena's going one step further.

In April '14 Serena spoke of her fondness for exhibitionism. She shared a hot, true story about letting her neighbor watch her dildo herself through a window. Now she's taking the next step and letting the whole world watch her spread her pussy, suck dick and get fucked! It's a big step for such a tiny girl, so let's show some support.

This is Serena's first big one.

We asked Serena what she thought the average cock size was and her answer was hilarious! "I've always thought the average size was around four-and-a-half inches, but now that I've fucked your stud, I know that I must be way off! Honestly, the few guys I've been with were always boasting about how big their tools were. Now I know that they're full of shit and big dicks feel way better. Seriously, when this guy was stretching my cunny, I felt like I was going to burst! I was right on the edge of pain and pleasure the entire time. I've never felt anything quite like it before. I loved it!"

How do you normally like your guys to finish, Serena?

"I don't really care. I used to be scared of cum, but I've grown to like it. It's really weird the first couple of times you have a mouthful of jizz floating around in there. You just try to swallow it as quickly as possible. I had one guy, though, who told me that it's way hotter if I let him cum on my face and fill my mouth, then swish it around and show it to him. That's what I do now."

MISSIE
Rub-A-
Dub-Dub

Are you clean or dirty, Missie?

"Why can't I be both, then? I feel like there's this pressure put on people, especially teen girls, to either be pure or a whore. I'm not either! I've only slept with one bloke, but we did everything with each other. We had anal at least every week and we were shagging the hell out of each other every day."

So, what's up with him?

"He moved and I didn't want to follow him. I'm attending university here and living with my parents. I really didn't think it was time for me to start playing house. Besides, I'm young and can totally get away with being stupid for now! I realized from listening to my parents that if you just say, "Oh, that happened in my twenties," then you can justify acting like a complete prat! For instance, I was at a party for a friend of mine, and these crashers showed up. A couple of guys were really cute. I snogged one, let another finger me and I gave a blow job to another–all in the same night! I love being young."

Do you like getting around?

"It's not that I love it, but it doesn't bother me. I love being sexual all the time. It's my go-to mode. I flirt with basically anyone. I'm always chatting up my professors, too. There's one, and he's totally what you'd expect of an English professor–Harris tweed and all–and he's got a crush on me. He's always staring up my skirt while class is in session. Sometimes I'll part my legs and let him stare. It's kind of cute when he loses track of what he's saying. I've even gone without wearing knickers before. I think I saw him drooling! I want to shag him."

Vaginal Vacation

Dear Virgin Territory,

I know you guys are in Miami, Florida in the States. Why don't you shoot more photos outdoors? For the rest of us poor suckers in the North, we could really use a few snapshots of beautiful sandy beaches, tropical skies and hot, oiled up teens! I know you have beach shots in the past. I've got a copy of April '13 with Denisa. Even though she's wearing a hoodie, I got it around the new year so it warmed me up quite nicely! It's always so nice to be transported somewhere else in your fantasies. That's one of the reasons why I still read my nudie magazines. I enjoy not having everything handed to me. I like filling in the blanks. If there's a little mystery, I can imagine her saying whatever I want her to say. Like, if a girl isn't into facials or blow jobs, I wouldn't know that. I could imagine her sucking on my long, swollen knob all day, and cumming wherever I want!

Reader J.S. wants more photos of sandy slits on the beach.

Please publish more beach shots so I can imagine fucking these teens in lush, tropical locations!–J.S., Fredericton, New Brunswick, Canada

Dear J.S.,

Complete nudity isn't allowed on the beach here, making it a bit difficult to do those kinds of shoots!

Toys and Tugs

Dear Virgin Territory,

I love your hardcore spreads. They make me cum so hard. I also have started using one of your prostate massagers while I read your magazine. So far, they're the best orgasms I've ever had. I can't wait until I have the balls to ask my wife if I can use it while we have sex. She's open-minded, so it'll probably be soon.

Anyway, I had to tell you how much I liked Aurora. Where is she from? I mean, ethnically? She doesn't look like any girl I've ever seen. I knew she would be good for a jerk when I saw her on the cover. I slipped in my Helix prostate stimulator and started fucking my fleshlight. I came twice from my ass before I filled the fleshlight. I still can't get over how I can cum but not produce jizz with a prostate orgasm. It's the fucking best. I imagined that I was going to town on all of Aurora's holes, then I imagined that the stud and I were double teaming her. I'll bet she gives great head. I know that's true because of how she deep-throated that big cock without blinking an eye. Those pictures drove me crazy. I'll bet she loves anal, too. I thought about sliding my dick into her ass while she was sitting on the other cock. That made my cock almost painfully hard. When I finally blew my nuts, I went to your website to find more of her content. I love how you guys have more sets online, plus the sets you've published in the magazine. It's my own personal porn library.–P.S., Albuquerque, New Mexico

Dear P.S.,

We're glad your toys are giving you the orgasms you deserve. Don't forget to check eboobstore.com for more fun.

Covergirl Questions

Dear Virgin Territory,

How do you decide on which girl will be on your front cover? Is there a vote that takes place? Do you guys draw straws, or are there "favors" that the models trade you in exchange for the front cover spot? I'd imagine that it's as thrilling for them to be featured as it is for me to see them when I unwrap my new issue.

I've always been curious about the process that goes into picking the covergirls. That seems like the most fun part of being involved in a gentleman's magazine. I really hope the girls are exchanging something to get on there! That's a valuable spot! I always jerk off to the covergirl first, no matter what else is there.–R.B., Madison, Wisconsin

Dear R.B.,

Once we've decided which girls are going to go in a specific issue, we comb through each set to find the perfect picture. It's one of those, "you know it when you know it" deals.

KACI
Open Wide

Welcome to our mag, Kaci!

"Thank you so much for having me! This fulfills a lifelong dream of mine. Ever since I found my older brother's porn mags under his mattress, I've dreamed about being able to show off. I used to think it wouldn't happen until I grew big boobs. I tried massaging my breasts every night in the hopes of making them grow. Then I started hooking up in high school and found that guys love little buds."

Do you like your boobs now?

"They're okay. I mean, my nipples are really sensitive and they make me really horny, but I've always wanted to get titty-fucked. It's never going to happen. I'd say my favorite part of my body would be either my booty, which I love getting spanked, or my pussy. I get so much pleasure from guys licking my clit, but a spanking makes my juices flow."

Tell us, where's the craziest place you've ever hooked-up?

"I lost my virginity in a park. That was pretty crazy. You know, when you're younger and there aren't any places you can go to be alone, the park is a great place to fool around. It was really cold that night and I was wearing running shorts and a big hoodie. We were making out and I was dripping wet. I pulled my shorts down and sat on his cock. It was really hot doing it in public."

Bonjour, Frederica!

"[*Laughs*], Bonjour! Of course we speak French in Quebec, but I also speak English, Russian and Ukrainian, which is where my parents are from. You could say I have a very talented tongue! Guys think so."

What else can your tongue do, Frederica?

"I think I'm very good at blow jobs. I have only done them with two guys, but they both came quickly, which I think is pretty good. I have a hard time dating guys my age because I'm really shy, but older guys break me out of my shell. Both guys I blew were in their late 30s."

What are your plans for the future? More pics?

"I haven't decided! It's really thrilling shooting for you guys, but I don't know if I want do this all the time. It was a challenge to myself to do something wild and crazy. I'm normally very reserved. I'm planning on going to medical school and travelling Europe, so we'll see how that fits into my plans. Otherwise, let's enjoy this for now."

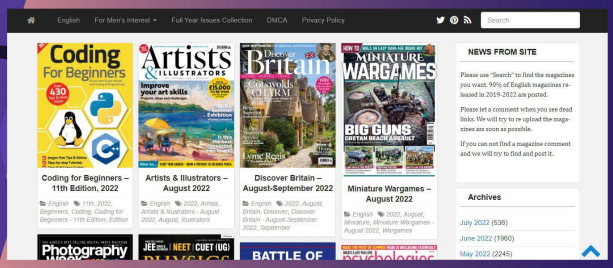

ALICE
Fresh & Fuckable

That's a nice pussy, Alice!

"I hear that all the time. Some guys don't like my big pussy lips, actually. I don't understand that. If it were a dick, any extra meat would be appreciated. Believe me on that, I've had a few teenie weenies before. The majority of the guys I'm with like my cunny lips, though. They say that it grips their dicks like a glove. I love when guys are licking and sucking down there and I can hear them slurping my juices. It's the best because I can hear my pussy get wetter as they are down there. Then my lips hold in the fluid when we fuck."

Do you like facials?

"I absolutely love them. It's probably my favorite way to take a load. There's always room for a pussy creampie or an anal creampie, but getting my cheeks and chin coated is the best. I love watching spurt after spurt come right out of the shaft, hitting my tongue and face."

TEENY TEEN SIZE QUEENS

Big, thick cock and sweet, tight pussy: the Reese's Peanut Butter Cup of sex pairings. This month, three young hotties discuss the biggest poles they've ever vaulted.

By Pauline Worth

Is bigger better? Do tiny girls like big, fat cocks? Like anything else–just ask three different guys about boobs, for example–it's just a matter of preference. As for these teens? All of them are size queens. It wasn't always that way, though. It took their biggest, baddest boy to turn them into big-cock converts. Here are their stories….

HORNYCULTURE

Hope still doesn't know the name of the guy who mows the grass at her dad's country house. But she'll never forget his cock.

"Honestly," the honey-blonde sorority girl told me, "I'd been eyeing him for a couple of summers. I don't know what he is–Mexican, Puerto Rican, South American–I just know he's got gorgeous dark skin, a hot bod and Spanish is his first language. I wanted to suck his cock, but daddy was always home. We'd eye one another all the time. And I'd always try to be as naked as I could get away with, considering other people were on the premises."

Cavorting by the pool near the gardens in her bikini was a hot pastime for Hope. She loved to tease the landscapers, but never saw one she actually wanted to get close to until this one. "Daddy would always come out and snap at me to put something on," but headstrong Hope didn't care. "I think it made me more determined to be a tart whenever they were out working."

One day, mercifully, Hope arrived to the home the day before her father. She had the entire place to herself. It wasn't long before the lawn service's trailer rolled up the circular drive. She watched from the top window, waiting to see if her Latin stud would be among the day's crew.

"He hopped out of the pickup that towed the trailer. His shirt was off. I watched while he pulled a company polo on. Everyone's got to wear a uniform, right? I was sad to see him less naked, but determined to find an opportunity to get him alone."

She got lucky about 40 minutes later. He had come around back to hook a hose up to the spigot near the back door. "I was already in my Burberry bikini and stuck my head out smiling; I held up a glass of ice water and beckoned him to come inside."

Wary–he didn't want the boss to see–he did a quick glance around to make sure no one was about, then jogged to the door and slipped inside.

"I stood there, heart racing, in the kitchen and handed him the water. He drank it all, very slowly, giving me a chance to check out his lean body beneath the sweaty workman's clothes. He finished and set the glass down deliberately. Eyes twinkling, he stared at me. I was going to have to make the first move. No way would he dare touch me. He knew he had a lot to lose."

Hope took his hand and led him into the small bathroom next to the kitchen. She closed the door and put down the toilet seat, unzipping him.

"What I pulled out was…unearthly," she says, pausing a few beats to consider the word choice. "It was the thickest cock I had ever seen. Like a freaking soda can!" She tried to put her mouth around it, but couldn't. He chuckled. "It was clear this was something he'd seen before."

He pulled her to her feet, his rough, strong hands cupping her lily-white ass. "I felt so held," she says. "He pulled me against him, rubbing my pussy on his dick. He didn't try to put it in or take off my bathing suit. He just rubbed us together. His dick was pressing my cunny with the bathing suit between. It wasn't long before my muffin responded. I could feel the blonde puff of my mound getting soaked with wetness. I hopped up on the little sink and pulled my suit to the side to show him, not knowing what he might do."

He stepped between her slender legs, holding his monster-thick meat over her pussy, then rubbed it against her clit. "'In?" he asked.

"I didn't answer out loud. I just moved a bit. It was positioned just right and he began, slowly, to force it inside me. He had to. There was no natural way it could be easily put into a tight, young pussy. The stretching, fuck, I'd never had anything like it. He rubbed my clitty with his thumb for good measure, lubing the way as my pussy creamed along the sides of his cylindrical cock, spreading and stretching and damn! It felt incredible. As I began to cum, with all the strength of my cunny squeezing down on him, I felt him flex and begin to go as well. He pulled out and spurted all over my flat belly, rubbing it in with his hand. He said something in Spanish, too. It sounded sexy, but I wasn't really listening. All I could do was feel incredibly satisfied and exhausted, but totally empty."

She smiled as he let himself out, listening as the slider opened and closed. Then made a mental note to buy a thicker vibrator.

EVE'S SERPENT

Evelyn (her friends call her Eve) found her Eden in the well-worn jeans of her high school boyfriend, Tony. Together more or less since the 10th grade, he was every first she'd ever had, but they had never rounded third base. And then came Prom Night.

"It was sort of a no-brainer," she laughs, licking her full lips, shiny with raspberry-flavored gloss. "All of our friends thought we were already 'doing it,' but we actually weren't! We were just doing everything else!"

In her initial email, she spent several paragraphs explaining how she'd become so proficient at sexy, sloppy blow jobs she was sure that actual sex would somehow fall short. I was wondering how her tight, virgin pussy could

pale in comparison to a blow job. Once we met in person, though, I could almost understand. Her lips are full and sensual (think young Angelina Jolie), and framed by a beautiful, open face (think young Lisa Bonet–or perhaps current Zoe Kravitz!).

Sometimes Tony would come over when her mom and dad were out. "I'd sit on a small step stool in front of my full-length mirror and he would pull his cock out for me–seven beautiful inches." She knows because she measured once! "Hey, I was young, okay?" she says, laughing. "Anyway, he loved watching me suck and lick him–from his point of view, but also in the mirror. I liked to throw a glance sideways, too, to check out how I looked with his big dick in my mouth. It probably looked sexy and slutty, I think! But it was totally hot! Besides, you can't be a slut if you're a virgin with one boyfriend, right?"

As prom approached, though, the butterflies in both her tummy and her cunny doubled and tripled by the day. "I couldn't believe someone who had been sucking and licking and touching for so long already was so nervous about that last thing, but I was! I was afraid it would hurt or be uncomfortable. I was afraid I'd do it wrong. I wanted to go through with it, of course, but my nerves were crazy!"

She went shopping for a hot dress to make her feel better, and she hit pay dirt at a mall boutique. It was red and slinky and hung on every smooth, teen curve. "I decided to just go braless," she told me in the email (she sent pictures, too). "My breasts are barely B-cups. The silk of the dress kept my pale-cherry nips hard all night long. They moved when we hugged. They brushed against him when we danced close. A few times I could even feel his big snake growing up against my thigh."

A bunch of the seniors (those who were 18, anyway) had taken rooms out at a nearby lake resort. Eve and Tony were going as well, and had brought overnight bags into their limo. They were to catch rides back home on Sunday with friends.

"It was something we'd planned," she admits. "I knew he'd have rose petals or candles or chocolate-covered strawberries or something–maybe all three–ready in the room. And he did. That's just how he was. But we never made it to the room for that first, sweet time," she giggles.

"I guess it was all the close dancing. The sexy dress. The fact that I slipped my damp, lacy panties into his hand during the last song," she says. "I don't know. It was romantic and hot and special."

Once they were alone in the dim quiet of the limo, with nothing but an hour-long ride to the lake ahead, things started to happen.

"We kissed for a long time, which got me super hot. Then he slipped my straps off my shoulders, exposing me to the waist. I watched him kissing and sucking and biting my nipples in the reflection of the tinted windows around us. The motion of the car was so smooth and heavy. Being able to see people in the cars next to us was also pretty hot, even though I knew they couldn't see me."

Before long, though, they were out in the country. Nothing but a dark two-lane road. Barely any streetlights. It was, she said, incredibly sexy. "He slid down to the floor of the limo–there was so much room–and eased my dress up. The silk was a little wet in back. All the kissing and sucking had gotten my pussy wet. I had gotten a smooth, sexy Brazilian for the occasion and there wasn't a barrier holding back the sweet cream of my cunny."

She spread her pale-caramel colored legs to reveal a perfectly bald pussy; its excited insides already slick and open like a wet, pink rose. Tony bent and took it all in his mouth, sucking and eating, his tongue carving a path from her tight ass up to her throbbing, swollen clitty.

"It was light enough for me to watch him eat my little pussy up. So sexy…." She came in a matter of minutes and by then was in heat.

"I pulled him up on the seat and watched him undo his pants. When he pulled that big, thick dick out I thought it was an inch bigger than usual, knowing where I was going to put it. I pulled my dress over my head and let myself be butt-ass-naked in the limo. I was wearing red heels and nothing else. I climbed into his lap and eased his prick up into my pussy. Ooooooooooooh, it was so tight but sooooo good. He held my hips with his hands and slid me up and down on him."

Up and down she bounced, impaling herself on Tony's solid seven-incher, feeling her insides give for the very first time. Her virginity lost, she celebrated, pulling herself off him in time to sink to the floor and taste herself on his cock as he shot his sweet, milky load deep into her throat.

Sated, they dressed themselves and had a drink. "And it turned out he had some chocolate-covered strawberries in his bag, too," she says, smiling. "The perfect snack to refuel. I knew we were going to need more energy for our next run at the hotel."

LOREEN
Luscious Lips

Wow! You're pint-sized, Loreen!

"I know! I love being tiny. Guys love it, too. I lost my virginity in my guy's arms. It was so romantic when he swooped me up and held me there. My pussy was in over-drive and his cock was rock hard. It just kind of slipped right in. I was shocked at first because I thought losing your virginity was supposed to hurt. It just felt really good for me. He told me afterward that my entire body went limp when he entered me. I didn't know that. I just relaxed and enjoyed the new sensation of sex while he held me."

So, is that your favorite position, Loreen?

"Not really. It's still romantic whenever we do it that way because it reminds me of that first time, but I really enjoy getting fucked hard from behind! Plus, it gives my boyfriend the opportunity to finger my ass a little while we're having sex."

Anal is on the table?

"Not yet. We've done everything we can do around the butt without actually having him stick it in. I'm really nervous about the pain because losing my virginity was so easy. I've never had sex pain, and I really don't want to start. At the same time, it feels really good. One time we were going to try so I was rubbing my clit and fingering myself while we was rubbing the tip of his dick on my bumhole. It was incredible for me, but too much for him. He started cumming and his jizz went in my ass. That pushed me over the edge and we both came."

Our girls are just as fascinated with their pussies as you are! In fact, we ask every single one of them how often they masturbate, what they do their pussy and where. Almost all of them do it, and the ones that don't are only that way because they're fucking too often! The most common way they pleasure themselves is with a small vibrator or their hands, and their favorite lube is spit! A small section of our girls have that special ability that only a handful of women posess - they're squirters. We won't tell you which ones can do that because it wouldn't be fair to the others. They might learn how to do it in the future. They're only teens, after all.

"Yeah, thanks. Listen, I'm doing this on a dare from one of my girlfriends. We were up late hanging out and we got into an argument over which one of us was more punk. I'm obviously way more rebellious than she is. I have the look down, and I'm way more wild and free-spirited. She looks like a fuckin' princess and acts like it, too. So, she and I get into an argument and I blurt out that I've taken naked pictures for my guy friends to jerk off to. She raises the stakes by telling me that she's put pictures online for everybody to see. So then I said, 'Oh yeah? Well, I'm scheduled to shoot pictures for a fuckin' magazine, and guys are going to jerk their cocks right onto my pictures.' She was just blown away and I won the fight. Of course, then I had to find you guys to do it. I couldn't just say it and not go through with it. Plus, it's been a fantasy of mine for a while."

Are you enjoying the attention?

"Fuck yeah! I've always enjoyed showing off, I've just never spread my pussy this much before. It's a whole lot of fun!"

blonde pigtails, tied loose and low, cascade just over her petite shoulders from beneath her ball cap. Though the top is snug, it shows nothing it's not supposed to. Stretchy cycle shorts and sneakers complete the outfit. To almost anyone's eye, she's just a college freshman coming in to this franchise coffee shop for a post-workout smoothie. Except she's not.

She's here to talk to me about a cock so big that it kept her off her beloved bicycle for a week.

"John was my brother's friend," she explained in her email. "Well, he still is. My brother doesn't know what happened. I'd had a little crush on him since my brother went away to college. He brought his roommate home for Thanksgiving since his family lived really far away. He was 19 then, I think. I was infatuated."

Years passed, of course. "John was a fixture on weekends and at holidays. All the while, I kept growing. One year he came by and I was sitting on the porch doing homework. I could see the way he was looking at me. It was different from before. I didn't feel like Dave's kid sister. I felt like he knew I could feel it."

"Hey," he said. Even that sounded different.

The new chemistry between them made the family's regular springtime barbecues–once run-of-the-mill–electrically charged. "We live on a big farm-like property. We have horses and a lake," she says. "There is lots of room to wander off and get lost."

After a really fun game of football between Candace, her brothers and cousins, she found her opportunity. "He kept grabbing me around the waist, wrapping his arms around me. There was so much touching and subtle flirting. We'd never talked about this new attraction, but I could feel that it wasn't just me. I knew." The pair found a reason to head out past the barn together.

"We got there, rounded the corner and there was this one insane moment where our eyes locked and that was it, we fell on each other." A hot make-out session against the back of the barn ensued. "His tongue and lips were so hot," she tells me. "My pussy was getting so wet. I mean, wetter than I'd ever experienced. It was grown-up. It was like the movies. I felt womanly, but my heart was racing like a teenager's. I pulled him inside the barn, afraid we'd get caught. I wanted him to take my clothes off. I wanted to stand there in the hay with nothing on but my sneakers and little socks and let him do things to me."

She got her wish.

Once inside, everything escalated. "My clothes came off so fast. I was really happy I'd been tanning in the nude," she giggles. "My body was tan and blonde, and I knew it looked good even if I was a little shy about standing there completely exposed. When he put me up on my dad's work bench and got his face between my legs, though, I forgot all about it."

"I want you soaking wet for me," he said. "I want that teen cunny dripping."

"No one had ever talked so dirty to me," she tells me. "My skin flushed hot. I'm a shy girl, but I loved it! My little blonde muffin was halfway there just from listening to him. When his mouth pressed its way between my cunny-lips and began to eat me, sucking my button and tonguing into my hole, I felt like I was in heaven."

His fingers, though, were different. "He was really working my pussy," she giggles. "It felt amazing, but almost like he was pushing the bounds of my tightness. I had only ever slept with one other boy. He'd never really gotten into fingering me. I bucked against John's digits, three inside me at a time, while his hungry mouth devoured my dripping-wet box."

Candace came hard, covering her mouth with her own hands to muffle her loud moans. "I didn't want to scare the horses or attract unwanted attention," she says. "But if

getting me wet was his mission, he'd succeeded with flying colors. My pussy had dripped so much. Both my ass and daddy's workbench beneath were creamy and soaked. Little did I know that his mission was as much about his pleasure as it was mine…."

"You're ready for me now, baby," he said. "My pussy convulsed. I had never wanted to be fucked–really FUCKED–like that in my whole life. I felt like a woman, even if I was still just a girl. He reached down and popped the button on his camo shorts. I could see the flat of his tan belly, a bit of hair from that goody-trail below his belly button. Then he took it out, and I literally gasped."

It turned out John was packing. His meat was a slab. Candace was 18, with just one lover in her rear-view, and

You don't look like all the other girls from Minnesota!

"I pride myself on that, actually. I go tanning all the time and always have my hair done. My friends would all rather be at a hockey game than a salon. I can't wait to move to California–that's my big plan."

What do you think you will find on the West Coast, Kennedy?

"Hot guys and good times! I know I shouldn't delude myself and let my fantasies take over, but I really think I've got something special. All my friends tell me that! I just know that I'll find myself a really hot guy with six-pack abs and a huge cock, and I'll start making commercials and then move on to TV and then Hollywood movies. It'll take a couple years, but I know I'll get there."

What are you looking forward to?

"Sex on the beach! I have this fantasy that I think about every time I play with my pussy. I'll be with a group of people and laughing by a bonfire at night on the beach. Then I'll sit on a random guy's lap and start making out with him. Then my guy will come over, but instead of fighting he'll just join in. Then we're on the surf, with the waves lapping against us while I'm getting fucked really, really hard from behind and taking a big cock all the way down my throat. That's usually the point where I cum and the fantasy ends."

didn't know what to make of it. Formidably thick, it was eight inches.

"Its head, mercy thank you, was a little tapered." She giggles, licking the cream from her coffee shake off her upper lip. "But honestly, I was so hot and wet and turned-on. He really knew what he was doing. My cunny was starving for him, and so were other parts of me."

He lay the first few inches down on her mound. The head of his monster tickled the sensitive, swollen nub of her purring clit. "Just the weight of it was impressive. I watched him, grinding against it as he played a little, rubbing the head of his big, thick cock on my button, bringing me around again to where I was going to beg him to put it in me."

Candace smiled and raised her petite, shapely legs up, placing her delicate ankles–with their cute, little socks and sneakers–on his broad shoulders. He cupped one side of her small, round rump in his hand and with the other, began to feed his manhood inside. "It was slow," she says, biting her lower lip with the memory.

"He was gentle. I was nervous, but I wanted every inch of it. I could feel him pushing the bounds of my pussy, and I could visualize the slick, pink skin of my hole growing taut as he went inside. Its thickness at the base was–I can't even say it without cursing–fucking amazing. I was gasping and making little sounds. It seemed to go on forever, and then I could feel his flat, hard body against me. It was in. All the way in! I squeezed and pulsed my pussy around him, loving how I could feel everything."

He liked that. And flexed his cock back. "We laughed then," she says. They were having fun playing with each other's bodies. But a quick thrust made Candace gasp with pleasure.

"Then it was on," she purrs. "He took me like a pirate and I was his treasure. We were right there on my daddy's table, and I loved every big, fat inch and every second. I was grunting. I mean: GRUNTING! And my pussy was creaming. I could feel it. It was oozing down, getting into my crack, churning me up." And for a wild, hot, crazy second, Candace had

an insane thought.

"I told him to put it in my ass."

That stopped even John in his tracks. He froze mid-thrust.

"Seriously?"

Candace had barely had any "regular sex." Anal was not even on her radar. Ever. But for some reason, she craved it.

"I told him, 'go big or go home.'" John smiled. "I'll be gentle." And he certainly was.

Instead of flipping Candace, he moved her closer to the table's edge, hooking her petite little legs–still wearing those sneakers–over his shoulders. "Let's just try," he said. "We'll see if it works."

Slowly, he rubbed the head of his cock against her tight rim. "He was so smart about it," she remembers. "He told me he wanted to watch me touch myself, so I did. I closed my eyes and spread my pussy open. I was too shy to watch him watch me, but I knew he was. And that turned me on. The smooth hardness of his dick on my bum-hole was nice, too. Before long, I was cooing and creaming and about ready to set myself off like a rocket. I opened my legs ever so slightly and WOW! His cock–just the first two or three inches I think–slipped inside!"

Candy screamed.

She laughs now. "It scared us both! I couldn't believe how loud I was. I was sure my dad and brothers would be running in any second. He thought he'd hurt me, which he hadn't! And maybe he was nervous about my dad and brothers, too!"

It didn't stop the two of them from finishing, though.

"I kept going, tweaking and pinching and rubbing my cunny and button with two hands. The stretching, the tight pulling and forcefulness of that massive dick in my bottom sent me flying over the edge. I'd never come so loudly. I covered my mouth to muffle it. And before I stopped, he began to shoot, which made me come harder. I could feel his jizz filling my ass up with hot cream. It was so hot. It was almost unbelievable."

Since then, John and Candy have been dating–with her brother's blessing, of course.

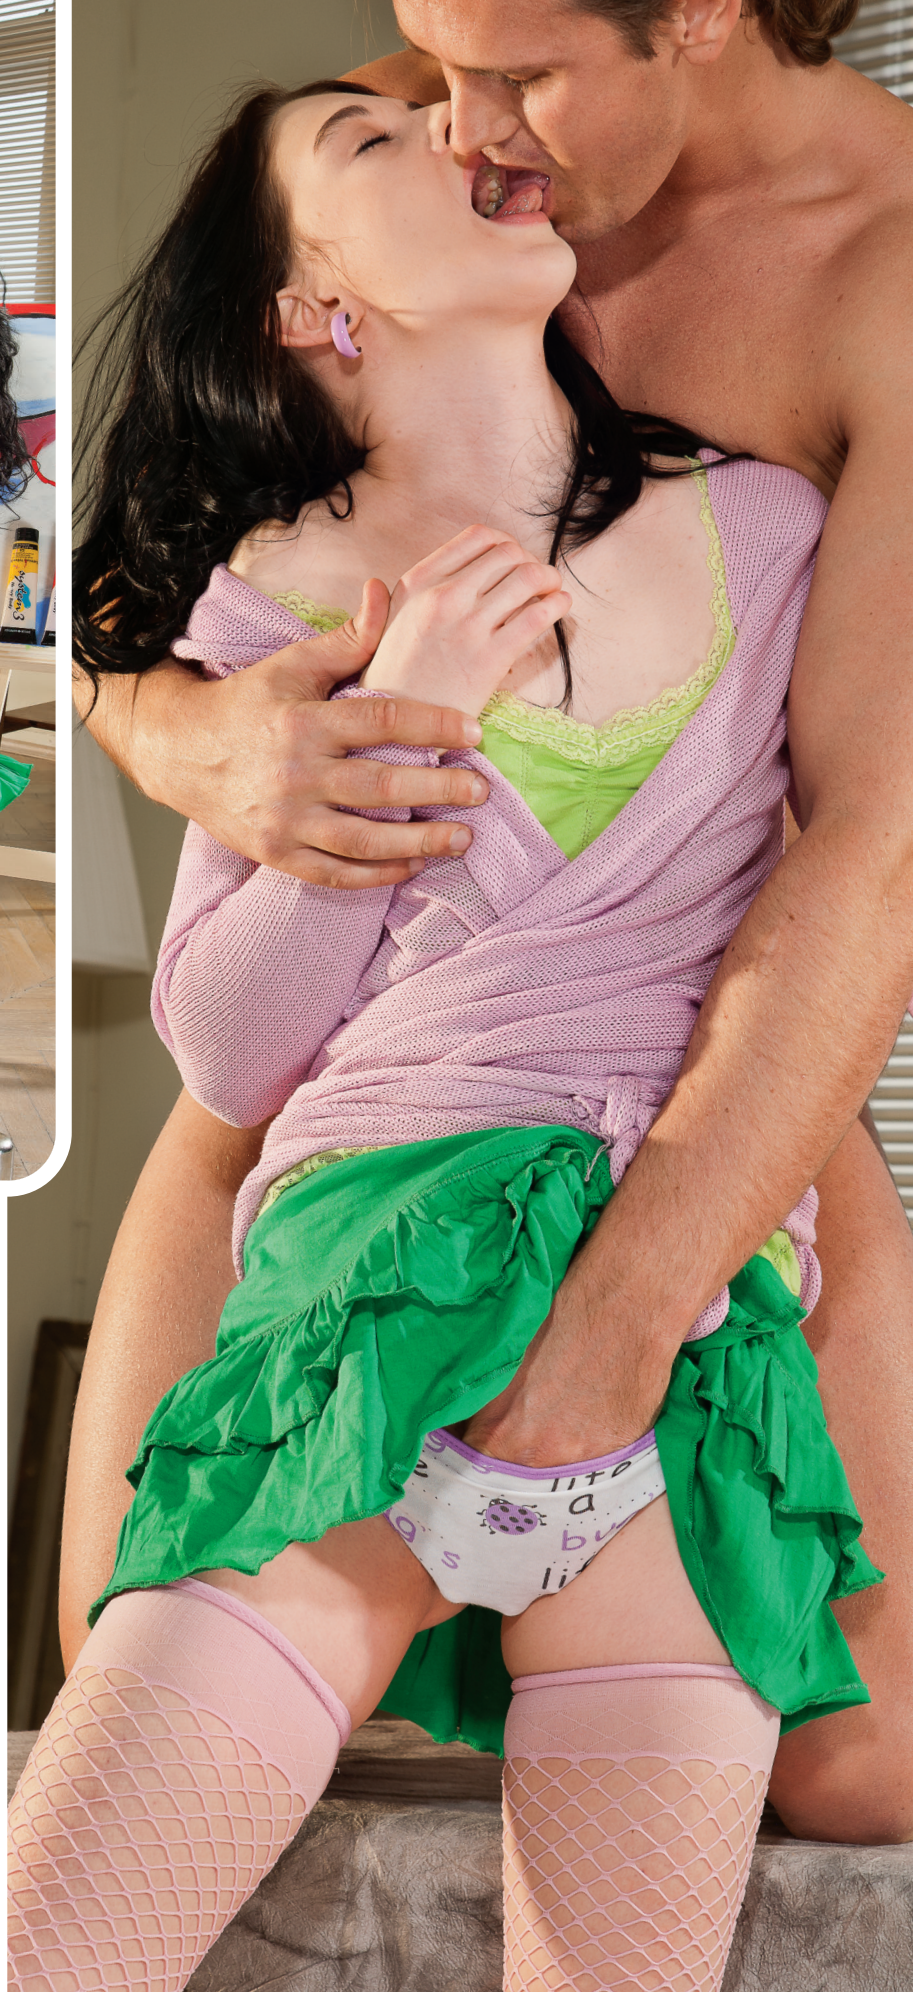

"He doesn't know that the barn incident happened before our first date," she giggles. "I think it's probably best that way." 18

LOLLY
a Work of Art

Wow, you're really good at this class!

"I'm not in an art class! I saw the male model on campus and knew that I had to fuck him. I followed him here to the art room and watched him disrobe. I couldn't believe that his cock was real. He saw me and told me that his class wouldn't be there for another half an hour. I saw my opportunity and took it immediately."

So you're the one who instigated this fuck-session, Lolly?

"Duh! Did you see his dick? Obviously size matters to me. I've never understood how some girls say that it doesn't. A big dick will stretch my little pussy out wide, and I'll feel empty down there the next day. It's not a good, hard fucking unless you're a little sore. This was definitely the biggest cock I've ever felt, too. It was almost too big to enjoy. Almost. I had a nice hard cum while riding him. That was the highlight of the afternoon. I especially like that after I left, the people in the class were smelling my hot sex."

Do you always take a load on the chin?

"Not always! I actually really enjoy feeling a cock throb its honey deep inside of me. I like to imagine what it looks like in there, having a big cock spraying rope after rope of hot, white cum deep inside me. But there is something magical about working a thick cock until it's about to blow, and feeling it hit your face. It's a feeling like no other. I get this sense of pride and accomplishment that I could make another human being lose complete control of their body and release their juice all over my face and body. It's hot."
